Notes on the Translation:

1. **Company Name:** Consistently translated as "DERA Co., Ltd.".
2. **Technical Terms:** "TBW" (Total Bytes Written), "NVMe SSD", "SATA SSD" are standard industry terms and retained.
3. **Warranty Conditions:** Key phrases like "whichever comes first" and "remaining warranty period" use standard warranty terminology.
4. **Disclaimer:** Legal language adapted to common English warranty disclaimer phrasing, emphasizing limitations of liability and non-authorization for critical/safety systems.
5. **Formatting:** Maintained the original structure (headings, lists, table) for clarity. The table formatting uses markdown for readability.
6. **Placeholders:** references to images are retained as-is.
7. **Legal & Contact Info:** Address, copyright, trademark notice, and contact details translated precisely. Address follows standard English format (specific to general).
8. **Tone:** Maintains the formal and legally precise tone of the original document.
